schoolboys have got their hold.
House has been released for our its archives labors, and Parliess sainers (what a saire upon the tree as suppanded. The members has lesson from Professor Daly, say "Experiator," and have come trainguistic to such as well. ames of the Indian Is not a very extensive, re-shaberate orget, nevertheless, it requires much case and much labor to construct it. the work of our Assembly may be neither reate to grand; but it is great when we consider the tools employed in-the tabors. If he workmanthy is clumy and the tool he workmanthy is clumy and the tool astiguing even to exhaustion, can we blame is uniquitous to members? Can eye least of II, censure them for gaining a brief respits from their Titanio tasks? It is true, the forces, like many other noble calstitution, has the constitution of the constitutions, has the constitutions. the calcumpiators. There are persons who are disposed to question its recently as well as sincerity—who borrow the words of Queen Katherine and say its promises are mighty, but its periormanees nothing. It meets to-day, they say, and soberly and askneally additionable to the say its promise and the say they are the say the say they are the say they are the say the say they are the say the say they are the say the say the say the say the say the

In another column will be found the speach of His Excellency Governor Symour, on the opening of the British Columbian Legislative Council. His Excellency informs the members that the amount of public mency expended during the past elevan menths is £130.000, which, coupled with £3000, the probable outley for the present menth, will give the annual expenditure at £144,600. The public revenue has fallen short of the estimate by £13.000. The £100.000 less has been but little encreached upon, the large men of £23 of the head of the farge men of £23 of the head of the farge men of £23 of the head of the farge men of £23 of the head of the farge men of £23 of the head of the farge men of £23 of the head of the farge men of £23 of the head of the farge men of £23 of the head of the farge men of £23 of the head of the farge men of £23 of the head of the farge men of £23 of the head of the farge men of £23 of the head of the farge men of £23 of the head of the farge men of £23 of the £25 of the farge men of £23 of the £25 of the farge men of £23 of the £25 of the farge men of £23 of the £25 of In another column will be found the space tion of the speech is directed to the Chilicoton disturbances, which have one Lighton, and which the Governor dignifics by the name of incurrection. We can cally account for His Excalinery's differences on this matter on the supposition that the accounts hitherto published were not altogather agreed. The extraourns that the indians who surdered Howester's party were starving, and that if was want of God that drow them to the massacre, is cartainly may as well as actualding. There is a verit of satisfact was a well as actualding. There is a verit of satisfact was a well as actualding. There is a verit of satisfact was a well as actualding. There is a verit of satisfact with the satisfact of the gabernatorial speech, especially where His Excellency alledes in the sixty-five volunteers being "faund in tag fort or the nument of a bill" when joined by the New Westminster continued the satisfact was the satisfact of the satisfact when the figure of the satisfact of t
